Sir:

Applicants appreciate the courtesies shown to Applicants' representative by Examiner Young during the July 21 telephone interview.

Applicants' separate record of the interview is provided in the following remarks. Applicants' representative discussed the double patenting rejection in the Office Action dated April 7, 2009 and distinctions between the claims and the applied references in art-based rejections in the Office Action dated April 7, 2009. Examiner Young asserted that the rejection of claims 1 and 6 were maintained, but indicated that the rejection of claims 4 and 9 would be withdrawn.

Accordingly, Examiner Young agreed to issue a new non-Final Office Action.

Applicants thank the Examiner for his consideration in this matter.

Respectfully submitted,
